White Land Urban Cube Dwarka Expressway | Call +91 9643000063

Urban Cubes 71 is an RERA-approved (57 of 2021) SCO (Shop cum Office) complex with a total of 34 state-of-the-art buildings, with the majority of the development facing the main road, making it particularly appealing.

Whiteland Urban cube project is an excellent investment opportunity since it provides ownership of a commercial property lot that is being developed with the concept of High Street Retail, which includes stunning features and aspects.

Whiteland Urban Cubes 71 enjoys excellent connectivity with NH-8 & Shona road along with promising avenues of Gurugram and proximity to the offices of reputed MNC namely

American Express, Google, TCS, and Genpact. The project is situated across
